

interr\_usleep.h

```
graph TD; A[interr_usleep.h] --> B[sys/types.h]; A --> C[inttypes.h];
```

The diagram illustrates the dependencies of the header file `interr_usleep.h`. It is represented as a central box at the top, with two arrows pointing downwards to two separate boxes below it. The left box is labeled `sys/types.h` and the right box is labeled `inttypes.h`. The top box has a gray background and a black border, while the bottom boxes have white backgrounds and gray borders.

sys/types.h

inttypes.h
